# **“Group of Friends for Strong Mitigation, distributing Global Carbon Budget under Climate Justice Criteria”**

- **The Group of Friends was created in the ADP2.9 meeting (Bonn, June 2015)**
  - **Armenia, Bolivia and Ethiopia are the first friends**
  - **Would you want to join this group?**
- **Possible Main Objectives:**
  - **To influence in the Mitigation chapter of Paris text and beyond!**
  - **To empower the developing countries position in the negotiation!**
  - To produce several materials around the bases, the models and the results on the “Strong Mitigation distributing Global Carbon Budget under Climate Justice Criteria”
    - **We will look at the INDCs from this perspective!**
  - **To write a new proposal text and introduce it in the negotiation, as a possible key part of the mitigation chapter, towards Paris 2015!**
- **Possible Membership:**
  - **State Parties that essentially agree or are interested in knowing and working on the main bases and results of a “Strong Mitigation, distributing Global Carbon Budget under Climate Justice Criteria”**
  - **Representative of the AG, APG, LACG, LDC, AOSIS, ...**
    - **A transversal group of countries that share this mitigation approach**
  - **Observer Organizations that agree with the main bases and results of a “Strong Mitigation, distributing Global Carbon Budget under Climate Justice Criteria”**
  - **The GGCC, Group on Governance of Climate Change, of the UPC (Technical University of Catalonia), is the secretariat of the “Group of Friends”**
- **Possible Agenda in the ADP2.10 meeting (Bonn, September 2015):**
  - **OPEN DIALOGUES ABOUT GLOBAL CARBON BUDGET (AR5 IPCC), CLIMATE JUSTICE, INDC’s, etc. IN THE NEGOTIATION CONTEXTS TOWARDS PARIS 2015!**
  - **Global Carbon Budget and Climate Justice in the negotiation’s texts**
